CONVERSATIONS WITH HEALERS

adropofom.com

In this Conversations With Healers episode, my guest is Andreas Goldemann, Healer, Intuitive and Spiritual Advisor, and the creator of online courses such as The Power Of Your Ancestors and Back To The Origin. Andreas and I talked about:

- His rediscovery of his healing gifts,
- His ability to create vibrational healing through channeling old druid soul language and a mini healing session,
- What type of energy burdens might affect different nationalities,
- How self-love is the key to deep healing,
- And more.

My favorite healing nugget from Andreas is “You can build up an openness towards more self-love. This is the most beautiful thing you can do. Self-love is the greatest and most important love you can experience in your life.”

You can find out more about Andreas and his work at [his website](#). He

generously shares some sample sessions from all his online programs that you can access through his site.
