

In this Conversations With Healers episode, my guest is Ciera Abbate, Astrologer, Podcast & Online Book Club Host, Cat-lover, Tarot Master, and my friend and soul traveller in the 15-day Egyptian Odyssey that we both took in December 2022.

It was an absolute delight to talk to Ciera and revisit Egypt. I hope that when you listen you get to re-live and experience our soul pilgrimage along with us.

We talked about:

- How and why we were called to have this conversation (hint: it was a total-body-chill moment!) and how Egypt called to us,
- What our Egyptian Odyssey was like on every level: physical, emotional, and spiritual,
- What was the most challenging and most magical parts of it for each of us,
- The difference between taking the trip vs. taking the journey (Jinan, we thought of you!),
- Recommendations for people wanting to go on a soul pilgrimage and our next pilgrimage goals,
- And much more!

We forgot to explain the 'Hellooo!' at the beginning. That was how our amazing Egyptian guide would call out to us to catch our attention. It became one of our go-to group call-outs.
