CONVERSATIONS WITH HEALERS

adropofom.com

In this Conversations With Healers episode, my guest is Claire

Stone, International Psychic Reader and Spiritual Teacher, founder of The Angel Mystery School, and best selling Hay House Author. Claire was born with the ability to see and hear angels and spirit. Claire and I talked about:

- The importance of looking for answers within
- How the angels can assist us in doing that
- What the female archangels (archeiai) are here to awaken in us
- How we can begin to connect with the divine feminine energies and wisdom all around us
- What she recommends to someone who may be deeply struggling at this time
- The need for connecting with your soul daily
- And much more!

Claire lovingly offered a guided meditation within our conversation to help you connect with the energy of Archeiai Christine. You don't want to miss it!

My favorite healing nugget from Claire is "Everything is within, everything. It is

such a simple statement but so profound.”

You can find out more about Claire and her work at [her website](#). You can also follow her on [Facebook](#) or on [Instagram](#). Claire is offering a free meditation to connect with Archeiai Haniel to those who sign up for her email list. I highly recommend that you check out her book [The Female Archangels](#) – Reclaim Your Power With The Lost Teachings Of The Divine Feminine. The book goes into beautifully explaining each archeiai and archangel, and gives you practical suggestions and rituals that you can practice to connect with them by yourself.

If this conversation touched you in any way, inspired you or spoke to you, please share it. You can share it in a conversation, post about it on Facebook or Instagram, or email or text it to your friends and family. We truly appreciate your support in spreading the love and light that we hope to create with these conversations.
