

In this Conversations With Healers solo episode,

- I am giving you an overview of my 2023 and an outlook of 2024,
- My Egypt journey since December 2022 and the guidance I received there that I continue to follow to this day,
- My current definition of success in my healing business and at home,
- My Astrology insights and how my readings are different than anybody else's,
- What to expect in the next seasons of this podcast,
- What I am learning now in my healing journey and what's next in my life and business,
- And more.

I would absolutely LOVE to know:

- What have you been enjoying so far in this podcast, my social shares and in my healing work?
- What else would you like to me talk about here? Who would you love for me to interview?
- What is going on in your healing journey and what is your 2024 word?
- Is there anything else you'd love to share with me?

Please comment and let me know!
