## CONVERSATIONS WITH HEALERS

adropofom.com

**In this Conversations With Healers episode, my guest is Dr. John Ryan,** Board Certified Specialist Physician, founder of Unity Field Healing, which is an evolutionary quantum-based energy healing method, Channeler for Sirian Blue White Collective, and a Healer. I have been following John and his work since 2018 and have experienced all of his Sirian transmissions to date. John's healing work has been endorsed by Lee Carroll and Kryon. I trained with John as a Unity Field Healing (UFH) Practitioner and have been **offering these life-changing sessions online**. UFH healing sessions are a huge part of my personal healing journey as well and they have brought me extraordinary healing, personal evolution, and insights since 2018. Needless to say, I am a huge fan of John's amazing healing and lightwork.

### **John and I talked about:**

- His extraordinary story of his kundalini awakening and stepping into energy healing,
- How Unity Field Healing came to him and how it works,

- How his two lives as an MD and as a Lightworker intersect,
- His thoughts on the pandemic and its meaning for humanity,
- What is going on right now energetically for humanity and how we can support ourselves during this transition,
- When (what year) we can expect things to calm down energetically,
- And more.

**My favorite healing nugget from John is** “The work we do on ourselves is always about restoring balance and to help the light of the soul come through the body to maintain harmony and balance within the system, which promotes healing and wellness as an experiential condition.”
