

In this Conversations With Healers episode, my guests are Tiffany Wilkes and Victoria Nielsen, also called Spirit Mamas. Victoria is an Akashic Records Reader, Certified Breath Work and Inner Voice Facilitator, and an Intuitive Energy Healer. Tiffany is a Reiki Master, Certified Sound Healer, and a Spiritual Coach. Together they created a wonderful healing community for moms called Spirit Mamas.

We talked about how Tiffany and Victoria came together during the pandemic to create the business of their dreams, why supporting moms can be so magical, the ins and outs of their business relationship and how they lean into their imperfect journey, how they approach social media, and more.
