## Crystal Healing Myths

DEC 14-18 at 9am EST

**This week I shared a 5-part video series on crystal healing myths.** I've covered a whole array of crystal healing concepts that don't make sense to me any more. You'll find answers to the following questions and more when you watch:

- How is crystal healing magic created?
- What crystal or crystals do I need for specific purposes?
- Can crystal healing solve all my problems and cure all my ailments?
- How many crystals do I need?
- How large of a crystal should I get?
- Do I need to know all about crystals to experience crystal healing magic?

**Disclaimer:** My answers may surprise you.

**WATCH HERE**

## **Your Crystal Healing Personality**

Discover your crystal healing personality  
and the next steps to deepen your crystal healing

**If you haven't done so yet, I encourage you to take this fun quiz to discover your crystal healing personality.** At the end of the quiz, I have some recommendations on how you can deepen your crystal healing experience whether you are a beginner, somewhere in the middle or a full-on crystal enthusiast!

# CRYSTAL HEALING SIMPLIFIED

**An Online Course  
To Heal and Meditate  
With Crystals**

**Crystal Healing Simplified** is an online course that is the cultivation of my personal healing practice as well as healing hundreds of people one on one and in group healings since 2012. This course demystifies what crystal healing is and isn't, and gives you a roadmap on how to clear, care for, activate and partner and co-create with your crystals.

**P. S. I will be sharing an amazing offer with you in the new year. Stay tuned!**
