

I want to know what you need the most to heal, to feel better, to thrive in your life.

What parts of your life need healing the most?

How can I better help you connect with the life in and around you?

Your needs matter, you matter.

I am deeply interested in figuring out how I can better serve you. Here's is a brief survey all about you. Your answers will help me gear my services to meet your needs. You will need less than 15 minutes to complete this survey. You will receive a 30% off coupon for any of my single private sessions (not valid for packages, valid until Jan 22) when you complete this survey by January 15, 2020.
