OBJECTIVE

Helping individuals and groups heal their energetic wounds and re-activate their inner brilliance and light.

ABOUT

Damla Aktekin is a Healer, who helps other healers move beyond their energetic wounds and shine brighter than they thought possible so that they can fully show up in their lives to heal themselves, their families and their soul-tribe. She is the creator of the website and blog A Drop of Om, Chakra Bliss Healing sessions, Resilient and Mindful Stress Management and Meditation Workshop for kids and young adults, and Mantra Dance Workshop. You can find out more about her offerings at adropofom.com.
